

THE SOUL KITCHEN

A SPIRITUAL RETREAT FOR MEN AND WOMEN IN RECOVERY

WHO'S YOUR TRIBE?

In recovery, and life in general, we will inevitably become a member of various communities... Some by choice, some by birth, some by consequence. At the next Soul Kitchen, we're going to take a look at these groups—or fellowships—and ask the question: Who is my TRIBE? In our typical, unfiltered Soul Kitchen fashion, we will be digging for truth as we look at who we are in the context of the tribe.
