20 years ago (March 17th, 1999), the West Suburban Fellowship was founded here in Naperville, Il. It started with a group of about seven people as members, and we are at 240 members today. The club services over 100 people per day looking for recovery. We are proud to be raising funds for the "Home of Our Own Fund", to continue to provide recovery in our community.

For more information, or tickets, you can email info@wsfconline.com. Respond quickly as spaces are limited. We will be having a silent auction, 50/50 raffle, dinner, guest speaker (Earl H.), with a DJ, dancing, and fellowship.
