Primary Purpose Registry and Motions Total:							

- The Primary Purpose Basic (PPB) covers expenses that occur every year. These include all costs for things like Area Assemblies and Committee meetings, printing of minutes and the newsletter Concepts, insurance, orientations, conferences, etc.
- The first section of the register, The Primary Purpose Basic (PPB) section, lists and funds and facilitates service activities that are described in the Duties and Responsibilities section of these guidelines.
- The PPB provides funding for all the activities listed in the Duties and Responsibilities section of this handbook.
- The second section, the Primary Purpose Motion (PPM) section, lists and funds. additional service activities, resulting from motions delegated approved by the Assembly to its trusted servants. PPM activities may be proposed by any member of the Fellowship but most often originate within a service committee. Ideally, all proposals are considered by a service or administrative committee prior to presentation to the Area Committee .

PPMs are approved by a substantially unanimous (2/3 majority) vote of the Assembly. Upon PPM approval by the Assembly, the Treasurer or Alternate Treasurer adds the PPM to the Primary Purpose Register, the responsible trusted servant performs the service activity, and the Area Treasurer is authorized to reimburse associated expenses.

In the primary purpose finance model, activities need not have a time frame and so may continue from one year to the next or even from one rotation to the next, thus providing continuity for service committees. As such, the primary purpose finance model is not a budget in the traditional sense. No individual or committee at the Area level has a line item budget they are free to spend. Instead, the basic register provides for activities that trusted servants are expected to participate in (see the Duties and Responsibilities document) and the motions section of the register provides for activities pursued by service committees in their effort to carry the message to the alcoholic who still suffers.

Summary

Consistently using the Primary Purpose Register as the financial communication vehicle defocuses the Assembly on money by focusing more transparently on service. It improves quantity and quality of communication between the Assembly and its trusted servants. The Treasurer is individually responsible only for the treasurer role – to manage cash and to pay the bills. The Finance Committee has responsibility for the controller role – to plan and manage the treasury and the time-sequence for service activities on the Assembly’s behalf. Detailed guidelines for each service activity provide common direction to trusted servants responsible for service activities and to the committee responsible for paying the expenses for those activities. Annual budgeting, mid-year budget increases, and the “new service activity” process, are simplified. The annual budget rollercoaster that was common previously is gone: we endure no more quibbling over contributions to the General Service Office or scrambling to do something at the end of a year to spend area contributions “at home”. Clearer delegation of these financial responsibilities by the Assembly has shifted the area’s focus from money to service.

Motion by the NIA Archivist to amend Duties & Responsibilities of Archivist and Secretary

Motion

It is moved by the NIA Archivist to amend the Duties of the Secretary and Archivist by moving the bullet point shown below from the Duties & Responsibilities of the Secretary to that of the Archivist.

Bulleted point:

- Maintain the database of N.I.A. Voted Actions, including both approved and failed Motions. Prepare an anonymity-protected version for posting on the N.I.A. website.

Background material:

The current list of responsibilities for Secretary is lengthy, and this item was missed in the past. The work was picked up in past years by various Area Chairs, and more recently has been kept up by the Archivist. Since this effort aligns with keeping the historic data of the Area, it would seem to best lie within the effort of the Archivist role.

Motion: The Area 20 Registrar and Alternate Registrar motion to request that the Area Delegate forward a letter to the Conference Coordinator at the General Service Office prior to the December 15, 2020 deadline, with a request to allow Online Groups to register under their respective district and area instead of the Online Intergroup “<https://aa-intergroup.org/>”.

Background Material:

The Area 20 Registrar contacted the Records Department at the General Service Office to determine what process is used to register virtual meetings. The following response was received:

“As you are aware, our structure encompasses the U.S. and Canada. Because online groups and meetings are by nature international, they are not listed as regular groups in G.S.O.s records. Whether an bunch of alcoholics meeting online consider themselves a group is up to them, as laid out in the Third Tradition (any two or three alcoholics...).

In keeping with a 2006 General Service Conference Advisory Action, G.S.O. provides contact information for online groups and meetings that request us to have this information:

Online meetings listed in A.A. directories under “ONLINE MEETINGS” continue to be listed with an e-mail contact address only, in keeping with the 1997 General Service Conference recommendation that: On-line A.A. meetings that request to be listed in A.A. directories be added to the “International Correspondence Meetings” in A.A. directories, that each listing include the internet address of the on-line meeting, and that each on-line meeting requesting to be listed in our directories furnish G.S.O. with the name and physical address of a member willing to serve as “mail” contact.”

This information is provided in the A.A. Directories in a special section titled ““Online Meetings/Online Groups.” The Online A.A. Intergroup is also listed in our records and in the A.A. Directories.

Area 95 is sort of a catchall area in our records system. It was created for any individual or entity which has a record in our system, but that isn’t part of the U.S./Canada general service structure. It includes international G.S.O.s, World Service Meeting delegates, intergroup/central offices, online and phone meetings, etc.

G.S.O.’s listing of online groups and meetings is not comprehensive. A much more complete list can be found through the Online A.A. Intergroup: www.aa-intergroup.org. An online group or meeting can be listed with either or both entities.”

When a New Group Form from an online meeting in District 28 was received, it was forwarded to the records department at GSO requesting that they process the new group form and that although this group is only meeting virtually right now we would like to register it under Area 20 and not an online meeting. We received the following response from the Group Services coordinator.

“The Records Department forwarded your email to me. It would be helpful for us to know more about this. First off, has District 28 discussed this and approved having this group participate in the district? And likewise, has Area 20 discussed this and approved having this group participate in the area?”

As many groups were forced to go virtual, new online groups were formed. We feel that each group should have the option of continuing to be a part of the service structure in the district and area that they reside.

The AA Group:

1. The AA Group registers with the General Service Office (GSO) and assigned a group number.
2. The AA Group receives a complimentary handbook and a small supply of literature at no charge when it registers with the GSO.
3. The AA Group provides a strong bond between the AA member and the Fellowship.
4. The AA Group has a General Service Representative (GSR) and Alternate that is the group's link with the General Service Conference via the district and area.
5. The AA Group is the shared experience and voice of AA's collective conscience.

The Online Intergroup:

1. The Online Intergroup is a service entity.
2. The Online Intergroup operates outside of the service structure and does not have representation at the General Service Conference.
3. The online Intergroup maintains their own online meeting information.
4. The Online Intergroup identify members as voting or non-voting members of the online intergroup.
5. The Online Intergroup is self-supporting through voluntary contributions of its members.

As it says in Concept I:

The final responsibility and the ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.

The A.A. Group — the Final Voice of the Fellowship

“Alcoholics Anonymous has been called an upside down organization because “the ultimate responsibility and final authority for world services resides with the groups — rather than with the trustees, the General Service Board or the General Service Office in New York.”

“Twelve Concepts For World Service Illustrated”

Advisory Actions relating to Online Groups

2005 Advisory Action recommended that:

Online meetings in languages in addition to English, French and Spanish be listed in A.A. directories under “ONLINE MEETINGS” with the meeting language indicated next to the listing and in accordance with the 1997 Conference Advisory Action that:

On-line A.A. meetings that request to be listed in A.A. directories be added to the “International Correspondence Meetings” in A.A. directories, that each listing include the internet address of the on-line meeting, and that each on-line meeting requesting to be listed in our directories furnish G.S.O. with the name and physical address of a member willing to serve as “mail” contact.

Online meetings listed in A.A. directories under “ONLINE MEETINGS” continue to be listed with an e-mail contact address only, in keeping with the 1997 General Service Conference recommendation that:

On-line A.A. meetings that request to be listed in A.A. directories be added to the “International Correspondence Meetings” in A.A. directories, that each listing include the internet address of the on-line meeting, and that each on-line meeting requesting to be listed in our directories furnish G.S.O. with the name and physical address of a member willing to serve as “mail” contact.

2008 Advisory Action recommended that:

The Online Intergroup of A.A. (OIAA) be listed in a new section titled “Online Intergroups” under the section “International Correspondence Meetings” in the A.A. Directories above where “Online Meetings” appear; the listing will include the online intergroup Web site and e-mail addresses.

The statement “This Directory is not to be used as a mailing list or for any form of solicitation or commercial venture” that appears on the cover of A.A. Directories be made significantly more prominent, e.g. use borders, larger type face, etc. (Rescinded by Floor Action)

The Advisory Action of the Conference Committee on Report and Charter, Item B2, which recommended that the statement: “This directory is not to be used as a mailing list or for any form of solicitation or commercial venture” that appears on the cover of A.A. Directories be made significantly more prominent, e.g. use borders, larger type face, etc., be rescinded. (Floor Action)

2016 Advisory Action recommended that:

The category title “Online Meetings” be changed to “Online Meetings/Online Groups” on page vi and vii in the A.A. Directories.
