Discover the Original 'Why' and 'How' of our Addiction Recovery Programs

In 1966, these retreats were started by Clarence Snyder, one of the first 40 members of AA. Now over 30 CTB retreats are held in the US and Europe each year.

Clarence used to say, "The steps are like a medicine capsule with 12 ingredients - you take them ALL when you want to get well. How long do you want to stay sick?"

Read Clarence's story in the first 3 editions of the Big Book (#11, "The Home Brewmeister"). He created these retreats to give alcoholics and family members opportunities to enjoy life-changing spiritual experiences!
